VOLUME I.

CLARKSVILLE, TENN., NOVEMBER 6, 1884.

NUMBER 2.

## WE CROW!

Special to the Chronicle:

Cincinnati, Nov. 6 3 a.m.—The confidence of the democrats here over the news of a democratic victory that was felt all last night and this morning gave way along toward noon to a feeling of doubt and as the day drew to a close the spirits of the republican became interested and to-night the town has been a perfect pandemonium. The confidence of the Democrats however, revived to-night when bulletins coming from Indiana and New York claiming their states for Cleveland by small Democratic plurality and up until midnight both parties were jollifying. The Western Union or Associated Press bulletin were favorable to Blaine election while the B & O or the United Press at 11 p. m., gave it out from headquarters in New York that they would close to transmit bulletins on account of the inaccuracies of the Associated Press bulletin. Both parties upon the assurance of success from the best sources, however, continued to paint the town red up to an early hour.

Special to the Chronicle:

Chicago, Ill.—Harrison, democrat for governor, carries Cooke county by 6,000 majority. 405 precincts outside of Cooke county show a democratic gain of 7,196 on basis of 3,400 precincts in the state. This would if ratio continued, give on whole state a democratic gain of 47,000 to meet the Republican majority of 40,716 in 1880. The republican strongholds however, are yet to hear from. The following Congressmen are elected: First District, R. W. Dunham, republican, 2nd Lawler, democrat, 3d, Ward, democrat, 4th, Adams, republican, 5th Elwood, republican, 6th Hitt, republican, 7th Henderson, republican, 8th Plumb, republican, 9th Payson, republican, 10th Worthington, democrat, 11th Petrie, republican, 12th Riggs, democrat, 13th Springer, democrat, 14th Rowell, republican, 15th Carmor, republican, 16th McCartney, republican, 17th Eden, democrat, 18th W. San Francisco, Cal., Nov. 6.—On basis of returns already received it is concluded that the republicans have carried the State by 6,000. The republicans elect three congressmen and the Democrats two a Republican gain of three, with one Dist. still to hear from.

Special to the Chronicle:

London, Eng., Nov. 5.—The Standard speaks of the election of Cleveland as a welcome surprise. It remarks that it is absurd for Mr. Blaine's supporters to expect any one to believe their figures on the result. Had the Republicans selected a candidate of decent reputation the result would perhaps have been different. The Daily News thinks there is little doubt that Mr. Blaine has been elected. In a review of his career the News declares that even Mr. Gladstone's energy sinks into insignificance when compared with that of Blaine.

Special to the Chronicle:

Denver, Col.—Democrats concede the State to republicans by 4,000 to 6,000 majority.

Special to the Chronicle:

Richmond, Va., 12 m.—Half of State heard from. Indications democratic majority of 7,000. 8 out of 10 congressmen democrats.

Special to the Chronicle:

For Congress, in the Thirty-second District Farquhar, Republican, received 17,609 and Lockwood, Democrat, 17,308. Erie county, including the city, gives Blaine 1,519 plurality, with three country precincts to hear from. Erie county elects three Democrats to the Assembly, Shehan in the First, Giese in the Second and Jackson in the Fourth. The Republicans elect Hawkins in the Third and Krause in the Fifth. Blaine's majority in Montgomery is 210.

Milwaukee, Wis.—Returns are slow, but show Democratic gains on Garfield's majority of 8,000 in the city. The State is close. In the Fourth Deutscher, Democrat, was defeated for re-election to Congress by Van Schack, Republican. The congressional delegation will be seven Republicans and

two Democrats, a Republican gain of four. Returns from one-quarter of the precincts in the State show a net Democratic gain of 10,000. The same ratio in the State would give the State to Cleveland by 1,000. The Republican State Central Committee has reduced its claim of plurality to 5,000. The Democrats claim the State by 5,000.

Wilmington, Del.—The State goes 3,500 Democratic, a Democratic gain of 2,500 over 1880. Love, Democrat, is re-elected to Congress. Every Democrat for the Legislature is elected.

Wheeling, W. Va.—The latest returns show that the State is Democratic by less than 5,000. In the First Congressional District Goff, Republican, defeated Bronnon, Democrat, by 300. All other Congressmen are Democratic.

New York.—The Tribune says the latest advices from the New York State Democratic headquarters are that the State is Republican by about 2,000. Nearly every precinct is counted. The World says Blaine has been telegraphed to come to New York.

New York, 11 p. m.—Returns come in slowly. New York and Indiana are so close that the result can only be reached by the official count. The Democrats claim New York by 470 plurality. These figures are estimated from private telegrams received from districts not heard from. The Herald bulletined the following dispatch: "Albany, Nov. 4.—If the reported majority in New York and Kings county is maintained, we shall have the State by a safe majority. Signed by Daniel S. Lamont, Governor's Secretary."

The Times, Democrat, bulletined that 1,981 districts in the State outside of New York City and Brooklyn shows a Democratic gain which gives the State to Cleveland by 5,000 plurality.

New York.—A dispatch from Col. Halliday, of Indianapolis, says Indiana will give Blaine a plurality of 1,500.

Boston.—A special to the Globe from Augusta says Mr. Blaine is dangerously ill. He took to his bed this morning, after scanning the returns during the night. He was soon found to be seriously indisposed, and his family physician was at once summoned. The latter ordered perfect quiet for Mr. Blaine, and John L. Stevens, his most intimate friend and co-worker, was the only person besides members of his family who has been allowed to speak to him. It is learned from indisputable authority that Mr. Blaine is in such a condition that it is absolutely impossible for him to speak aloud. He is completely prostrated, a severe cold upon his lungs adding greatly to his discomfort. John L. Stevens and Walker Blaine have been personating Mr. Blaine to-day. At 10 p. m. they claimed every Northern State except Connecticut. They claimed Virginia by 2,000 and New York by 12,000. Cyrus W. Field has sent a telegram of congratulation, and says Blaine is sure of 12,000 in New York.

San Francisco, 1 a. m.—The Republicans have carried Oregon by a small majority.

NEW YORK.

Noon.—One thousand four hundred and twenty-four voting places outside of New York City and Brooklyn give Blaine 327,799, Cleveland 278,202, a net Democratic gain of 11,128. There are 570 voting places to hear from. Cleveland's majority in New York City and Kings county, including Brooklyn, is 58,222.

In 1,296 precincts outside of New York and Brooklyn Blaine's majority is 44,699. In 1,344 districts outside of New York and Brooklyn Blaine's majority is 45,306.

In 1,379 precincts outside of New

York and Brooklyn Blaine's majority is 46,285. In 1,415 precincts outside of New York and Brooklyn Blaine's majority is 49,070.

One thousand four hundred and thirty-two districts outside of New York and Brooklyn gives an average Republican majority of 35. If the remaining 564 districts do the same, it will give Blaine 19,740 majority, which, added to 49,988, his majority in the districts heard from, give him a majority of 69,678. Against this Cleveland has a majority of 57,938 in New York City and Kings county, making Blaine's majority in the State 1,174. The result depends on Blaine's vote holding out in districts unreported.

Later.—Returns show he is actually increasing his average majority.

One thousand six hundred and eighty-two districts outside of New York and Brooklyn gives Blaine 375,200, Cleveland 317,221, Butler 10,814, St. John 196. Blaine's plurality is 57,979, which is 41 more than Cleveland's majority in New York City and Brooklyn, with 314 districts to hear from in the State.

New York, Nov. 5, 11 p. m.—The indications are at this hour that Blaine has carried the following States, which have a total electoral vote of 305, and his election seems assured: California, Colorado, Illinois, Iowa, Kansas, Maine, Massachusetts, Minnesota, New York, Nevada, Nebraska, New Hampshire, Oregon, Ohio, Pennsylvania, Rhode Island, Vermont, Wisconsin. The probabilities are that Blaine has also carried Indiana and possibly some of the other close States. Everybody seems to feel that it is pretty sure that Blaine has carried New York by 8,000 and Indiana by 1,500 to 2,500 and is elected.

TENNESSEE.

Eighth District, Lincoln county.—Net Democratic gain, 71. Indications are that Kercheval, Democrat, for Senator, and Wolman, Democrat, for Representative, will be elected. Returns slow.

Sadlersville.—The following is the vote of Sadlersville: Blaine 54, Cleveland 70, Bate 69, Reid 54, Caldwell 67, Baker 55, Blakemore 59, Peacock 54, Crunk 75, Hubbard 54 and Bloodworth 2.

Cedar Hill.—The result at Cedar Hill is as follows: Cleveland 139, Blaine 55, Bate 137, Reid 57, Caldwell 132, Baker 50, Blakemore 121, Peacock 55, Crunk 116, Hubbard 61, Bloodworth none, Savage 57, Hughes 59. Savage's ticket at Cedar Hill runs 82 votes behind the Democratic ticket, through the indefatigable energies of J. M. Speer, the railroad's friend. Everybody is happy and preparing for a big demonstration.

There seems to be no question that Neale is elected to Congress. Hamilton county, lacking one small district, gives Blaine 3,441, Cleveland 2,474, Bate 2,303, Reid 4041, Neale 2,888, Evans 4,950, Democratic Railroad Commissioners 1,390, Republican Commissioners 2,853. TEXAS.

Galveston, November 5.—Returns from the country are coming in very slowly. A heavy vote was polled throughout the State. The returns thus far predict the election of the entire Democratic congressional delegation. The contest in the Seventh and Tenth districts was close, but both Sayers and Crain show large gains over the vote of 1882. On the State ticket, Gov. Ireland, Democrat, will probably have 80,000 plurality over Jones and Norton. The entire Democratic State ticket is elected by overwhelming majorities. The Democratic majority is estimated at 60,000 to 70,000.

MICHIGAN.

Three hundred and sixty-three precincts in Michigan, which includes about one-half the vote in Detroit, give Blaine 66,300, Cleveland 60,450, Butler 929, St. John 7,051, Alger, Republican, for Governor, 63,648, Begoler, Fusion, 60,493, Preston, Prohibition, 5,919; a net Democratic gain of 6,379. Latest returns from Congressional Districts show that the Democrats have carried 4 Republican 3, with 2 in doubt.

WISCONSIN.

The State Democratic Central Committee concede 2,000 to 3,000 Republican majority on the basis of the returns so far received, and the Republican Central Committee claim about 10,000.
